*Due to changes in the 2012 budget all self storage attracts VAT at the current rate of 20%.*

## **Insurance cover**

*When your goods are in storage they need to be insured. Whilst some household policies will cover your goods in storage, we offer a highly competitive option specifically designed for this purpose, protecting them against fire, explosion, flood, forced theft, storm, malicious damage, earthquakes and other physical loss or damage.*

*Our open cover insurance policy costs £1.00 per week + VAT (£1.20 per week inc. VAT) for each £1,000 worth of cover.*

*Please note that irrespective of whether or not you instruct us to include you within our insurance arrangements our liability for actual physical loss of or damage to your property is limited by the terms of the License Agreement which form part of our contract with you.*

## **Additional benefits from JNJ Storage**

We also offer:

- 33% discount on self storage insurance on rooms booked for 12 months or more.
- £30 voucher for any recommendation which leads to a room booking for three months or more.
